

HELICOPTERS

2025 CALENDAR

Civil Edition

AIRBUS

Dear Customers, Dear Partners,

This year at Airbus Helicopters, we are thrilled to share the latest edition of our civil and military calendars with you.

Our 2025 edition features the most geographically and operationally diverse selection of photos to date, highlighting the hard work you and your teams put in every day across various roles around the globe - your people, your mission and our products.

In keeping with our commitment to continuous innovation, our 2025 calendars have also evolved. From a more user-friendly format to help you capture important dates, to various QR codes providing access to videos and allowing you to download each month's stunning images as wallpapers.

We wish you all safe operations, success, and happiness in 2025, and we look forward to being your reliable partner for many years to come.

Olivier Michalon
Executive Vice President Global Business
