## FOREWORD

Airbus Corporate Helicopters and Mercedes-Benz have always shared an uncompromising spirit of exploration, conquering both the land and the sky. This enduring legacy is stronger than time, and our approach to this renewed partnership is defined by mutual precision and proven durability. The ACH145 Mercedes-Benz Edition represents the quintessence of this journey: a fusion of off-road prowess and aerial freedom, where nothing is left to prove. Whether driven by the G-Class's robustness or the ACH145's reliability, we are obsessed with the constant pursuit of freedom of motion.

The new design, informed by Mercedes' Sensual Purity design philosophy, elevates this icon. The interior portrays a deep open architecture. Exemplified by the new sensually sculpted seat design with elegant surfaces and flowing lines, it creates a timeless style of generous elegance.

## FORGED IN FREEDOM

Freedom of motion knows no boundaries.  
The G-Class has long defined the off-road experience.  
Now, witness that same rugged prowess ascend,  
bringing precision and uncompromising capability  
to the vastness of the sky.

## ADVENTURE AWAITS, WITHOUT LIMITS

The ACH145 Mercedes-Benz Edition's proven robustness and compact footprint translate to limitless exploration, fearing nothing and ready for everything. With a maximum endurance of four hours and the industry's most versatile cabin, the only question is, how far will you push the limits?

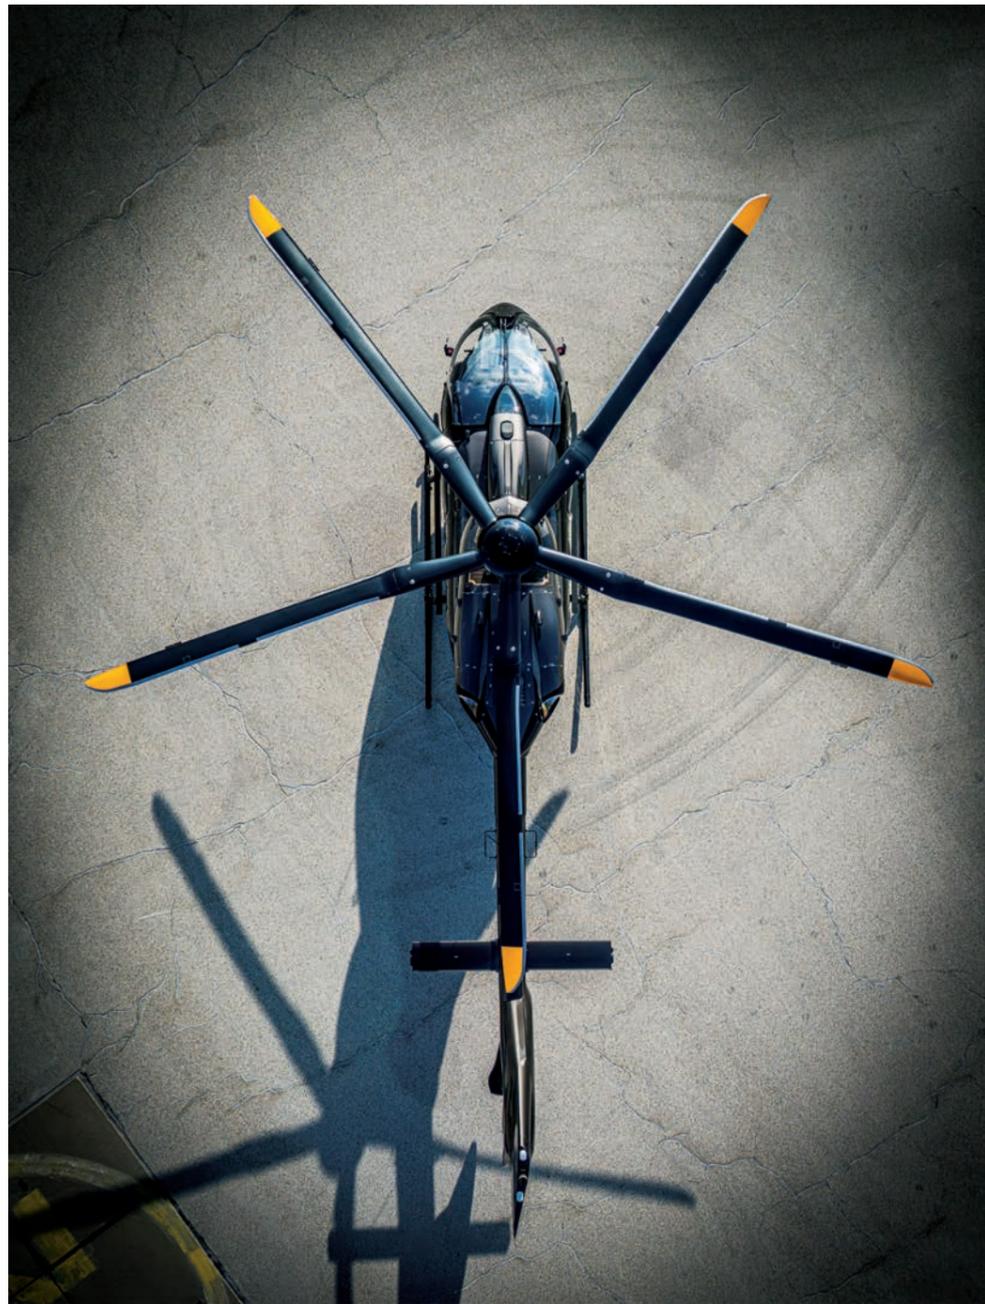

## STRONGER THAN TIME

The G-Class has stood the test of time as a design icon, combining off-road character with top-class luxury. Now, Mercedes-Benz applies the philosophy of Sensual Purity to the ACH145, creating a helicopter that looks as robust as it feels. This is your exclusive opportunity to command a machine mirroring the G-Class DNA: precision, power, and a legacy stronger than time.

## POWER AND PRECISION

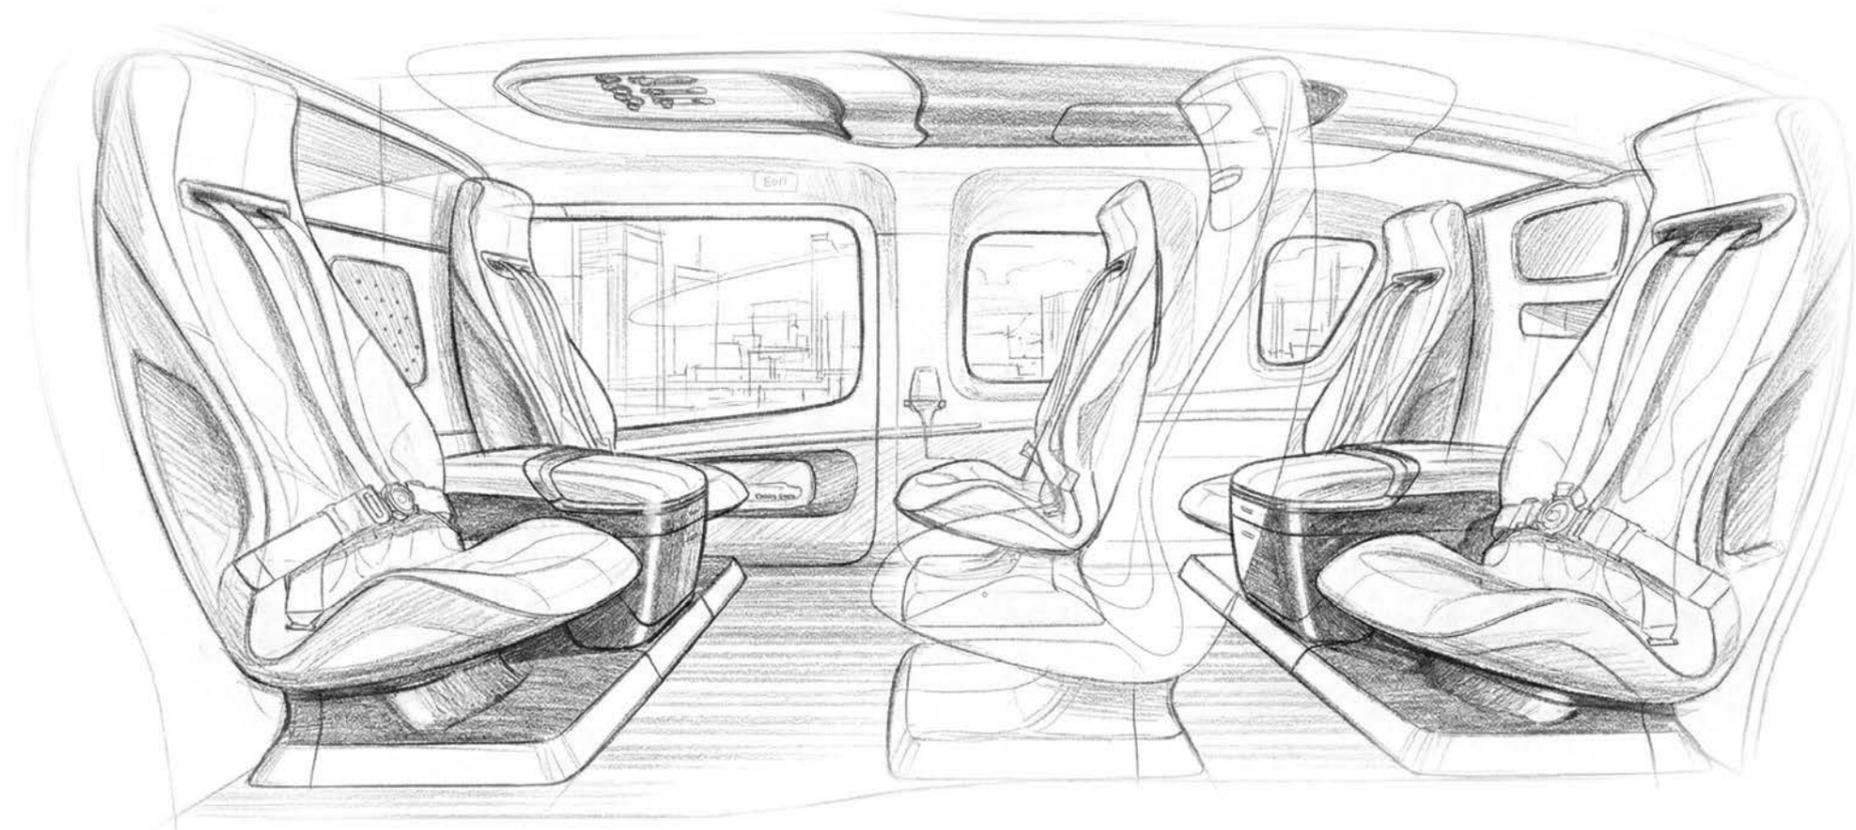

With a maximum cruise speed of 137 knots and the advanced Helionix<sup>®</sup> avionics suite, the ACH145 Mercedes-Benz Edition establishes itself as the off-limits reference. While the exterior is ready for everything, the interior is defined by Sensual Purity —a sanctuary of sophisticated design and silence that ensures comfort in any condition.

## TIMELESS DESIGN, REIMAGINED

Inspired by the Mercedes-Benz show cars EQS and Maybach Ultimate Luxury, with its simplicity and its wrap-around interior, the cabin portrays a deep open architecture. Exemplified by the new sensually sculpted seat design with elegant surfaces and flowing lines, it creates a timeless style of generous elegance.

## STEP INTO SENSUAL PURITY

A sanctuary defined by pure, soft, and curved shapes awaits. Revel in the harmonious symbiosis of the organic and the industrial, where the warmth of genuine wood flooring meets the cool precision of metallic accents and the highest quality leather.

## INTENTIONAL ELEGANCE

The journey from initial moodboards to the final flight-ready cabin is driven by an obsession with detail. A meticulously curated selection of materials defines the cabin's unique atmosphere. High-quality leathers meet the warmth of genuine wood flooring and the cool precision of metallic accents, creating an unparalleled sensory experience.

## DISTINCTIVE ATMOSPHERES

Different color and material packages are available — ranging from timeless elegance to expressive sportiness. Great emphasis was placed on harmonious colors, surprising accents, and brand identity.

High-quality materials and precision craftsmanship are expressed in different color & trim themes, also available in a bespoke finish to meet your most exacting standards.

## A WORLD OF POSSIBILITIES

With a vast array of layouts, this edition can be tailored to accommodate up to eight passengers in absolute comfort. The interior balances passenger volume and cargo capacity through intelligent seating across two or three rows, while cabinets can be integrated front and rear to ensure every essential is within reach.

## REFINEMENT IN EVERY DETAIL

The dynamically designed seats offer a feeling of comfort and security. Coordinated stitching details emphasize the precision and craftsmanship of the highest standard. Spacious compartments between the seats provide ample storage for carry-on luggage, while soft armrests and integrated cup holders invite passengers to relax.

## THE PRECISION OF PRACTICALITY

Visual reduction is achieved by integrating functional and control elements into generous, cohesive units, avoiding visual clutter from technical components. This calm atmosphere in the passenger cabin conveys a strong sense of safety and comfort.

Through integrative solutions, the accessibility to technical components essential for helicopter maintenance has been improved, reducing maintenance intervals.

## ABOVE AND BEYOND

From secluded mountain peaks to the vastness of the urban night, this edition brings the unmistakable robustness of the G-Class to the sky. Its compact footprint and proven reliability allow you to snatch time from the day and soar free of the world below.

## TWO OFF-ROAD ICONS

This helicopter is engineered to embody the unparalleled robustness and precision of the G-Class, bringing rigor and sophisticated design to the ultimate exploration vehicle.

In short, the ACH145 Mercedes-Benz Edition is the definitive answer for the explorer who operates without limits.
