The ESOP 2025 is proposed to you because you are an employee of Airbus group.

In order to be eligible to the Offer in your country, you must meet the following conditions:

- ❖ Have an employment contract with an Airbus group entity in which Airbus holds more than 50% of share capital, and
- ❖ Having been employed by an Airbus group entity on December 31, 2024 and remain in employment through the date of delivery of purchased shares on April 1, 2025.

Process of payment of the purchase price in your country

Payment of the purchase price for your selected Package is made by deduction from your salary.

Your employer will make the advance to Airbus SE for the total amount corresponding to your purchase price and this amount will be then reimbursed by you to your employer through payroll deduction.

You may opt for reimbursement by:

- deduction of the whole amount from your salary in the month of April 2025
- OR
- in 3 equal instalments to be deducted from your salary in the month of April, May and June 2025.

Deduction from salary is based on your express agreement granted through your participation in the ESOP 2025. Please note that deductions from salary are subject to limitations. In particular, deduction for a particular month must not result in payment of less than 35% of your gross salary. You should consider this limitation when you decide upon the Package that you are purchasing.

If you cease employment with your Airbus employer before full repayment of your ESOP debt, the outstanding balance will become immediately due and will be deducted from your last pay. Please read the Plan Rules for procedures that Airbus may apply in case of default of payment.

Exchange rate

Although you will pay your subscription amount in Uruguayan Pesos, the purchase price of Airbus Shares is set in Euros. The amount of the purchase price of your Package will be converted in Euros at the exchange rate applicable on February 19, 2025.

This exchange rate will be maintained until the date of delivery of shares to you but not thereafter.

Throughout the life of your investment, the value of your investment will be subject to fluctuations of the exchange rate between the Euro and the Uruguayan Peso. As a result, if the value of the Euro strengthens relative to the Uruguayan Peso, the value of your shares expressed in Uruguayan Pesos will increase. Conversely, if the value of the Euro weakens relative to the Uruguayan Peso, the value of your shares expressed in Uruguayan Pesos will decrease.

IMPORTANT

Share price evolution on the stock market is unpredictable. When making your decision please remember that the price of Airbus shares can go up or down. Airbus cannot provide you with any financial/tax advice. If you are in any doubt about whether to participate in the ESOP 2025 you should speak to an independent financial/tax advisor.

1. Taxation at the time of acquisition of Airbus shares

In the ESOP 2025, you select a Package which allows you to acquire a number of Airbus shares at a discounted price compared to the Reference Price. The discount is the combination of a number of Airbus shares paid at Reference Price (**Acquisition Shares**) and receive additional Airbus shares (**Matching Shares**) allocated for free thereby reducing your acquisition cost per share.

You make a taxable benefit corresponding to the difference between the fair market value of all shares delivered to you (Acquisition Shares and Matching Shares) and the purchase price that you paid:

$$\text{Taxable benefit} = \text{market value of the share} \times \text{total number of shares received} - \text{price you paid for the Package}$$

For tax purposes, the market value is the opening listed price of Airbus SE share on the date of its delivery to you, i.e., on April 1, 2025.

This benefit is taxable as salary **at progressive rates of up to 36%** and is **subject to social contributions**.

Tax and social security contributions on this benefit will be **withheld by your employer** from your salary if you are employed by a company incorporated under Uruguayan law and declared with the tax and social security authorities. If not, you will be responsible for paying tax in advance on this benefit in the month in which you received it and reporting it in your annual income tax return.

2. Taxation during the holding of your Airbus shares

You are required to hold your shares for a period of at least **three years**. As long as you will continue to hold your Airbus shares, you will be taxable with respect to dividends if any are distributed by Airbus SE.

Dividends will be subject to a dividend withholding tax in the Netherlands and will then be taxable in your country.

a. Taxation of dividends in the Netherlands

Under Dutch domestic law, dividends paid by Airbus will be subject to a withholding tax in the Netherlands at the time the dividend is declared by the general meeting of shareholders. The rate of the Dutch dividend withholding tax is 15%.

A supporting document (Tax Voucher) evidencing the payment of Dutch withholding tax is made available each year on SHARINBOX – Société Générale website.

b. Taxation of dividends in Uruguay

In Uruguay, dividends received by Uruguayan residents from non-resident entities are taxable **at flat rate of 12%**. Please bear in mind, that for non-residents achieving Uruguayan residence a “tax-holiday” may eventually be applicable, under certain conditions.

In principle, under domestic law, **a tax credit should be granted** for the 15% Dutch withholding tax on these dividends. Please bear in mind that the tax credit cannot exceed the income tax to be paid in Uruguay.

You are responsible for reporting the amount of the dividend received in your annual income tax return and paying the corresponding tax.

3. Taxation at sale of your Airbus shares

You will not be able to sell or transfer the shares acquired under the ESOP 2025 for a period of **three years**. In practice, you will be able to sell your shares **from April 3, 2028**. End of the holding period is not a taxable event.

On the basis that Airbus shares are foreign shares, in principle, capital gains from their sale **will not trigger income tax** in Uruguay for you.
